

## Sermon Questions Hebrews 10:24-25

This week we discussed the importance to challenge one another for the mission of Jesus Christ. The message was personalized to discuss how CADRES help us at BRAVE to connect with others for the purpose of obedience and mission. Throughout the message the 3 thirds format was clarified for how we will make disciples who are growing in obedience that results in mission. As BRAVE takes its next step of faith *To Challenge BRAVE Warriors for Courageous Kingdom Advancement*, we invite you to connect with other believers to fulfill Christ's calling in you. When it comes to the mission of Jesus Christ this is what you were created for and what you are being called to do. May the Lord bless you as you continue to take your next steps of faith.

Here are some notes to review from this week's sermon...

Hearing the Word of God and responding to Him is extremely important. If you haven't had the chance to listen to the message from this week you can now watch it [HERE](#). After watching, please use the following questions, if you find them helpful, in your personal study or discuss them with your family and/or friends. If you are not in a CADRE now is a great time to get involved. Please email [info@bravechurch.online](mailto:info@bravechurch.online) and we help you take your next step.

### **Questions**

1. What is a CADRE? How is being in a group that is designed for obedience and mission different than a Bible Study or community group? How could growing in obedience be helpful for you and others around you? How could living on mission grow you closer to Jesus Christ?
2. What does it mean to Look Back? Why should a CADRE start by giving thanks? What happens when believers begin to thank God for all He is doing? How does that grow your faith?

3. What is loving accountability? How does this differ from what many people consider accountability? What would it look like to encourage and challenge another believer? Why is this so important? Why is this so challenging?
4. What is the mission of BRAVE? Where is it derived from? What does it mean *To Challenge BRAVE Warriors for Courageous Kingdom Advancement*? How is that statement aligned with Matthew 28:18-20? Why is it important for a church to know its mission? How does a CADRE change when everyone knows why it is meeting?
5. What does it mean to Look Up? Why do we need to spend time seeking Jesus? Why do we start with the Word of God? Why are we there to learn? What attributes are needed to learn? How are humility and being teachable essential in a CADRE? What does it mean to state the verse? Stick to the passage? Speak in sentences? Why is this so important?
6. What does it mean to Opt in? What is SPEC? Why is it important to know if there is a Sin to avoid? Promise to claim? Example to follow? Command to obey? How does this help us understand who God is, what God is doing and what God expects?
7. What does it mean to Grow? Why is it important to see areas of your life where you may need to apply this passage of Scripture? How does being aware of the different areas of your life help you grow in your faithfulness to God? How is learning, opting-in and growing different than just learning from a teacher?
8. What does it mean to Look Forward? Why is it important to have a specific area to be obey? Why is listening to the Lord and sharing that area of obedience with your CADRE so important? Why is it important to make your "I will..." Statement specific? How will this result in loving accountability the next week? How can SMART goals help? Specific, Measurable, Attainable (Achievable), Realistic and Timely? How is this different than a generic statement of obedience?
9. What does it mean that we are going to SEND others on mission? How are we called for PRAYER, CARE & SHARE every week? How can we grow in our prayer times, prayer walks and prayer moments? How can we grow in our CARE through words, works and wonders? How can we be ready to share the 3 circles?
10. How does the simplicity of the CADRE model help us to grow in obedience and mission for Jesus? What benefit does personally growing in obedience to Christ and his mission have for us as believers and for the lost around us? How does having a clear, simple, biblical and replicable format help us in making disciples?
11. What is keeping you from going through Membership? What is keeping you from CADRE Orientation?
12. What is your greatest take-a-way from this week's message? What do you need to apply right now in your life?
